EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 3/29/06, Mr. Hoffmann requested an extension of time for TWO MONTH(S) and authorized the Director to charge Deposit Account No. 11-0404 the required fee of \$225.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

18. (Currently Amended) A system for an automatic regulation of vehicular traffic, comprising:

an intelligent wireless device operatively configured and programmed to monitor and communicate to a plurality of vehicles within a defined space, to receive signals from [a] vehicle control [system] systems, mounted in the vehicles, which [is] are operatively configured to generate [a signal] signals containing information associated with the vehicles, said device being capable of automatically alerting and controlling vehicle speed as well as determining violations of a legal requirement regarding any of the vehicles, and automatically issuing a summons to [said] a respective vehicle control system, without human intervention, of such a vehicle that has been monitored in a space defined as a speed controlled zone in violation of a legal requirement with respect to vehicles in said speed controlled zone.
